

CQ, CQ, CQ, Calling the Faulkner Co. Amateur Radio Net, Calling the Faulkner Co. Amateur Radio Net. This net meets weekly on Thursday nights at 7:30pm local time for the purposes of handling traffic, Faulkner Co. Amateur Radio Club business, and passing along general information of importance to all Amateur Radio operators in and around the Faulkner County area. This is a directed net. My name is _____ and it is my pleasure to be your net control this evening. My call sign is _____. At this time the net will stand by for any Emergency or Priority Traffic.

- 1.) If emergency or priority traffic is heard, handle immediately.
- 2.) If no emergency or priority traffic is heard, proceed with regular check ins.

The net will now stand by for regular check ins. All amateur radio operators are welcome to participate. Please come one at a time giving my call sign, pause to listen for doubles, then give your call sign phonetically. Once your call sign has been given, please give your name, location, and whether or not you have any traffic or announcements to be brought before the net. Please call _____ now.

Date _____
