REQUEST FOR AMATEUR RADIO LICENSE PLATE

The issuance of Amateur Radio license plates is restricted to Passenger cars, 1/2 ton and 3/4 ton Pickups.

Amateur Radio license plates can only be placed on a vehicle which is registered in the same name as the FCC license holder. No leased or Company vehicles.

Applications must be on file no later than the last day of the month. The Amateur Radio license plate order is sent to the factory on the First of every month and should arrive back to this office approximately 10 weeks from that date.

Applicants are requested not to inquire about the license plate in order to allow time for manufacturing. You will be notified by letter when your license plate is ready.

The fee for Amateur Radio license plates is \$2.00 annually in addition to the regular registration fee every year. DO NOT SEND MONEY WITH THIS REQUEST. FEES WILL BE COLLECTED LATER.

A COPY OF YOUR FCC LICENSE MUST ACCOMPANY THIS REQUEST
